

FAIRWAY UP · FEATURE GUIDE

For the Organizer

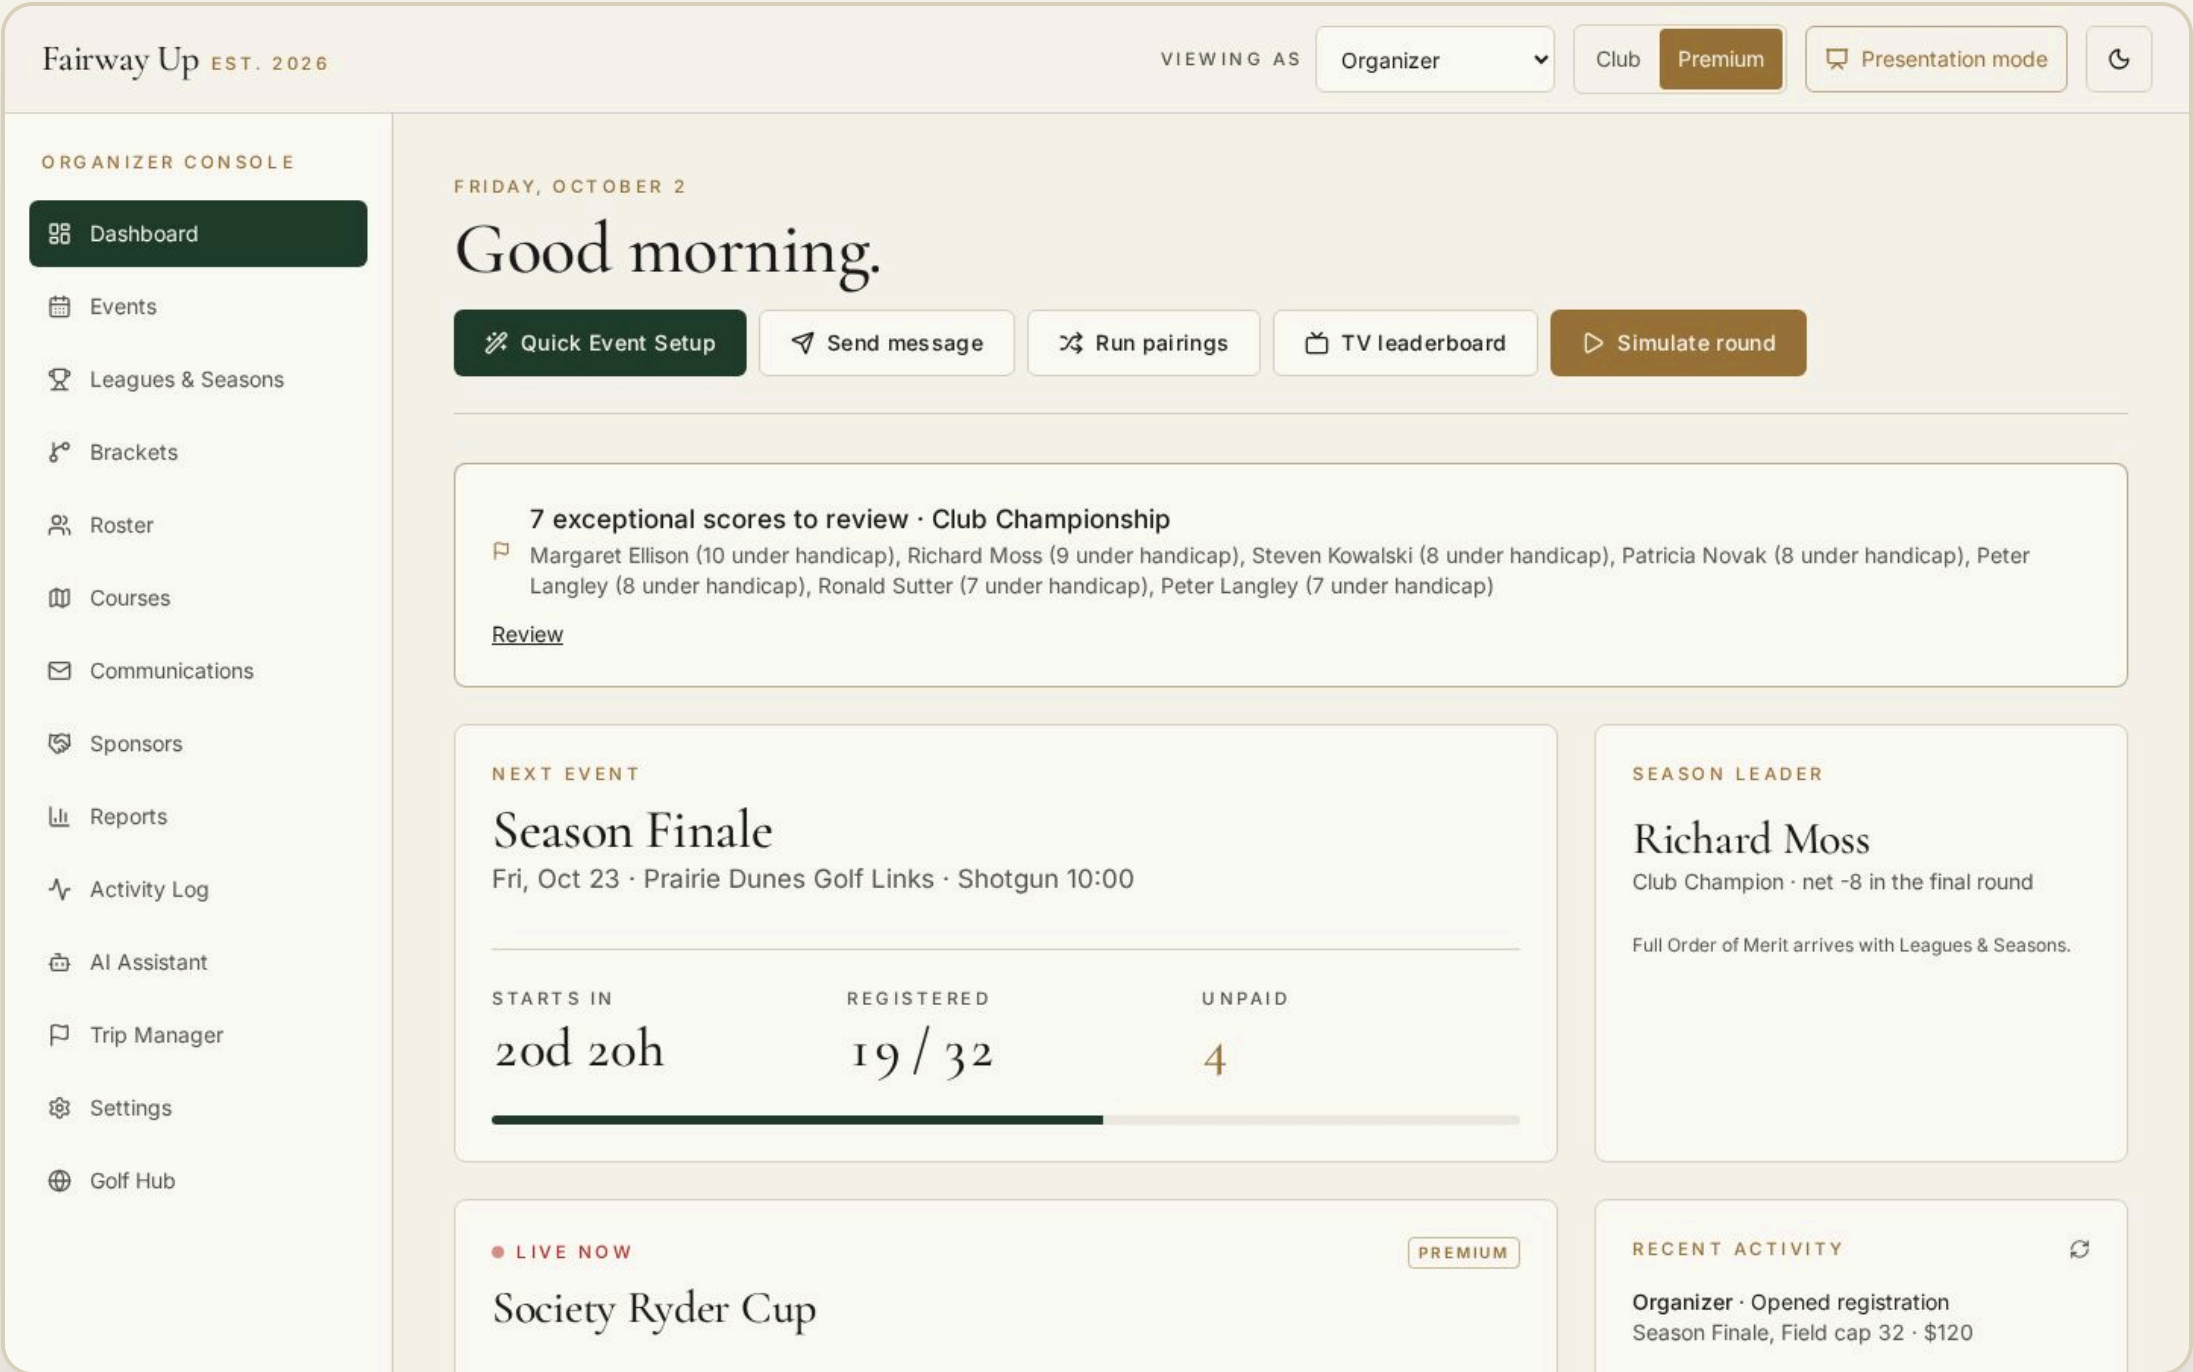

Run a full event from one screen

Set up events, build competitions, make pairings, watch live scores and print everything you need on the day.

Feature demo for committee review.

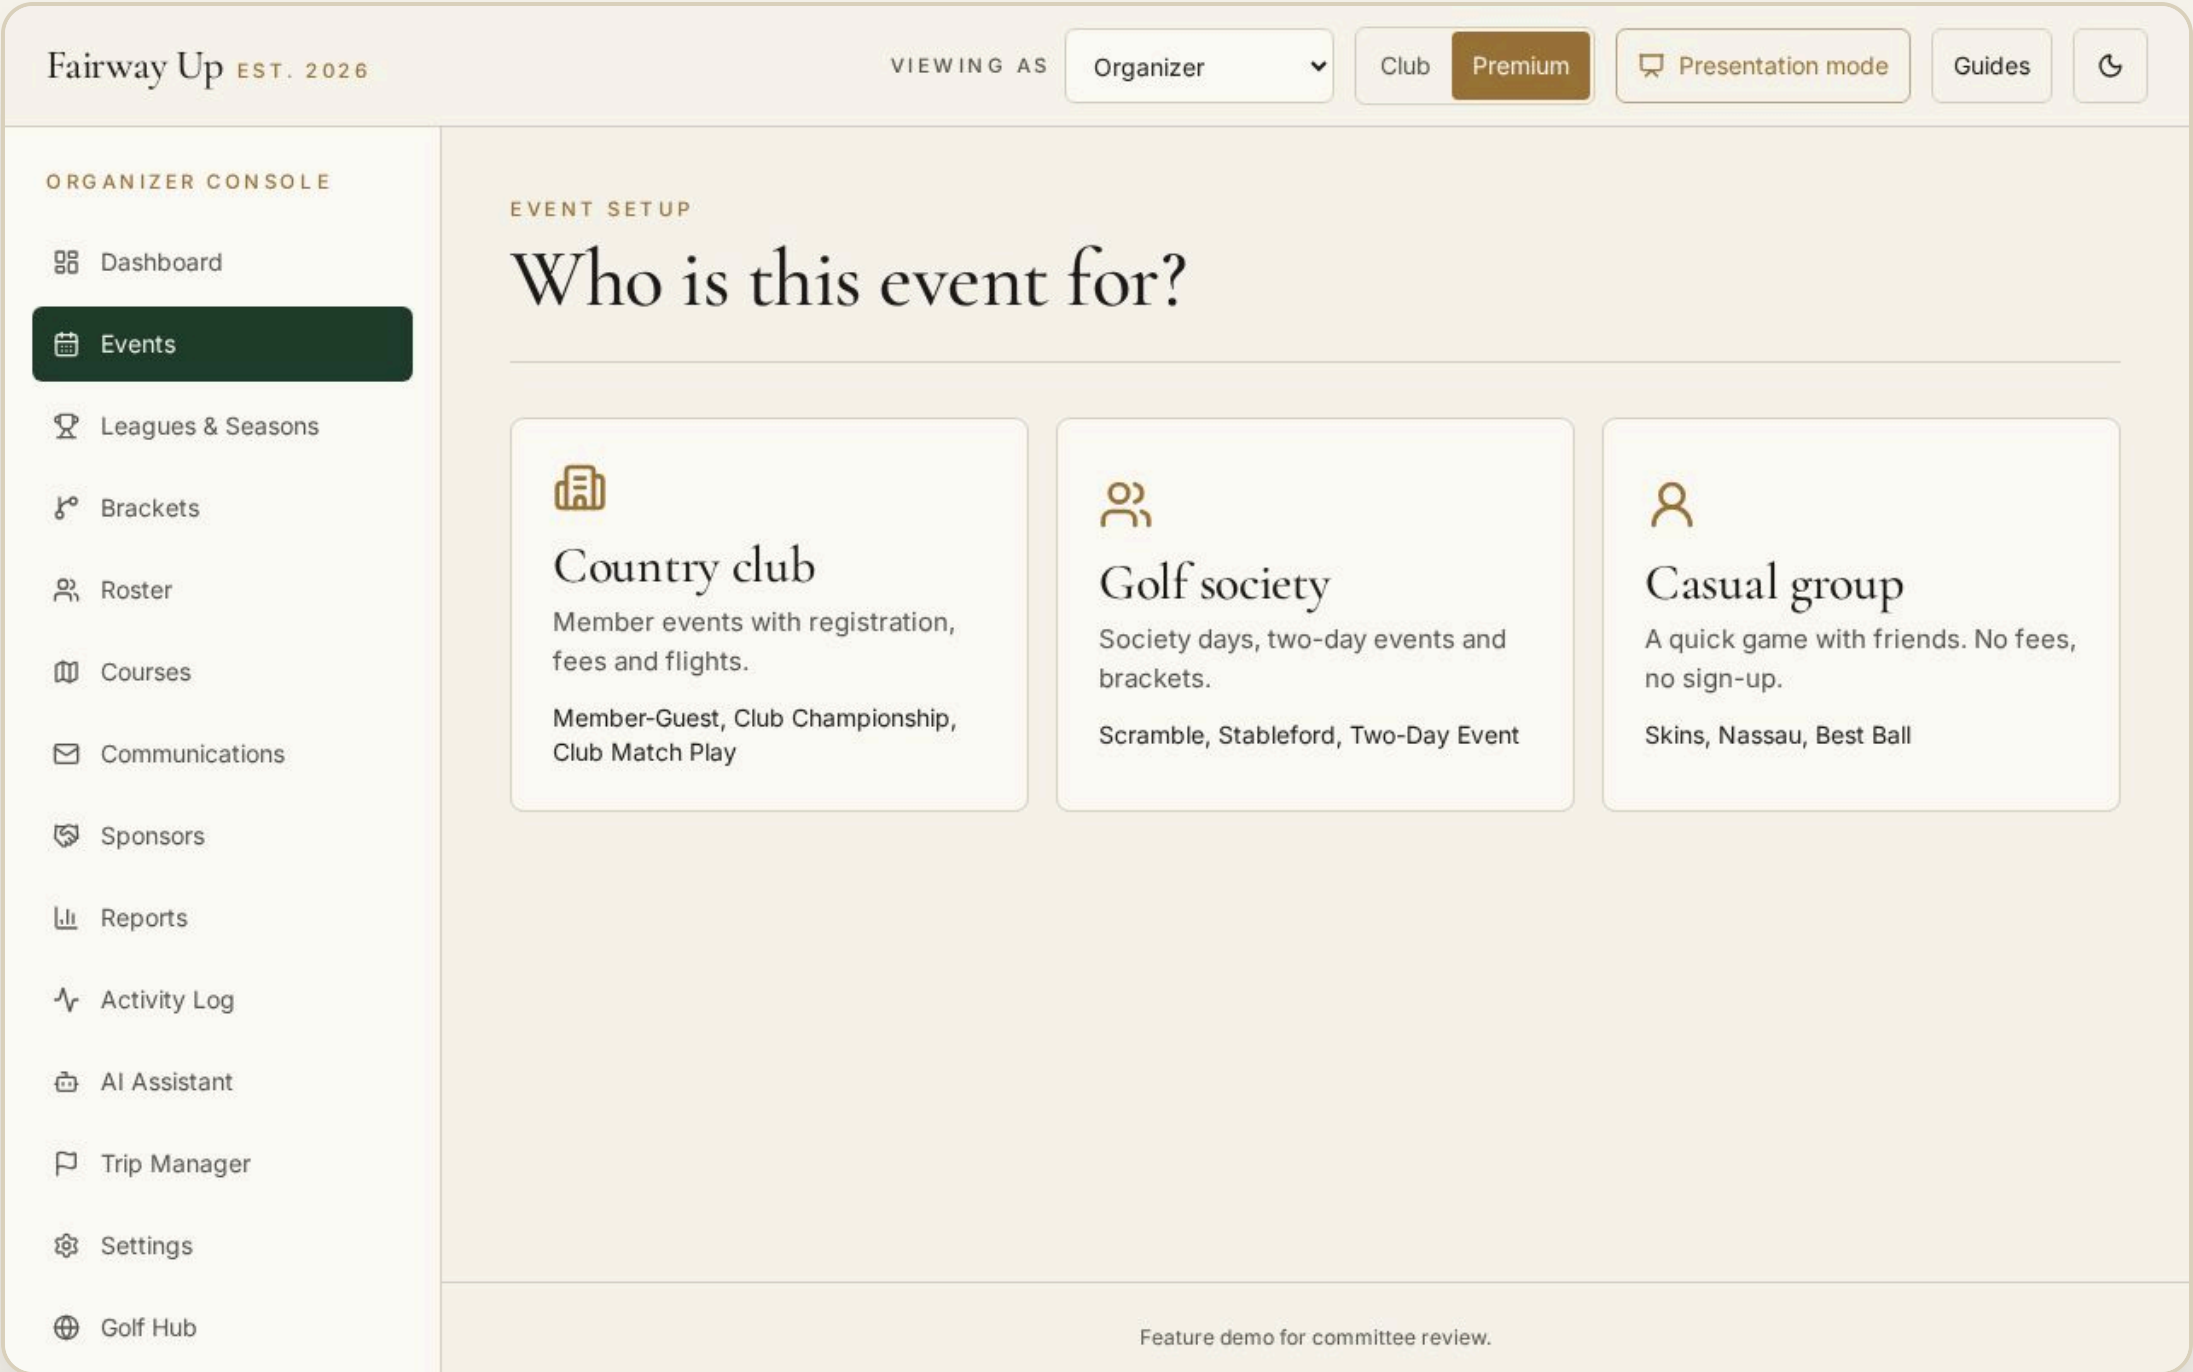

See the whole season at a glance

- 1 Upcoming events, unpaid players and live rounds show first
- 2 Quick actions open pairings, scoring and the TV board
- 3 Exceptional scores needing review are flagged here

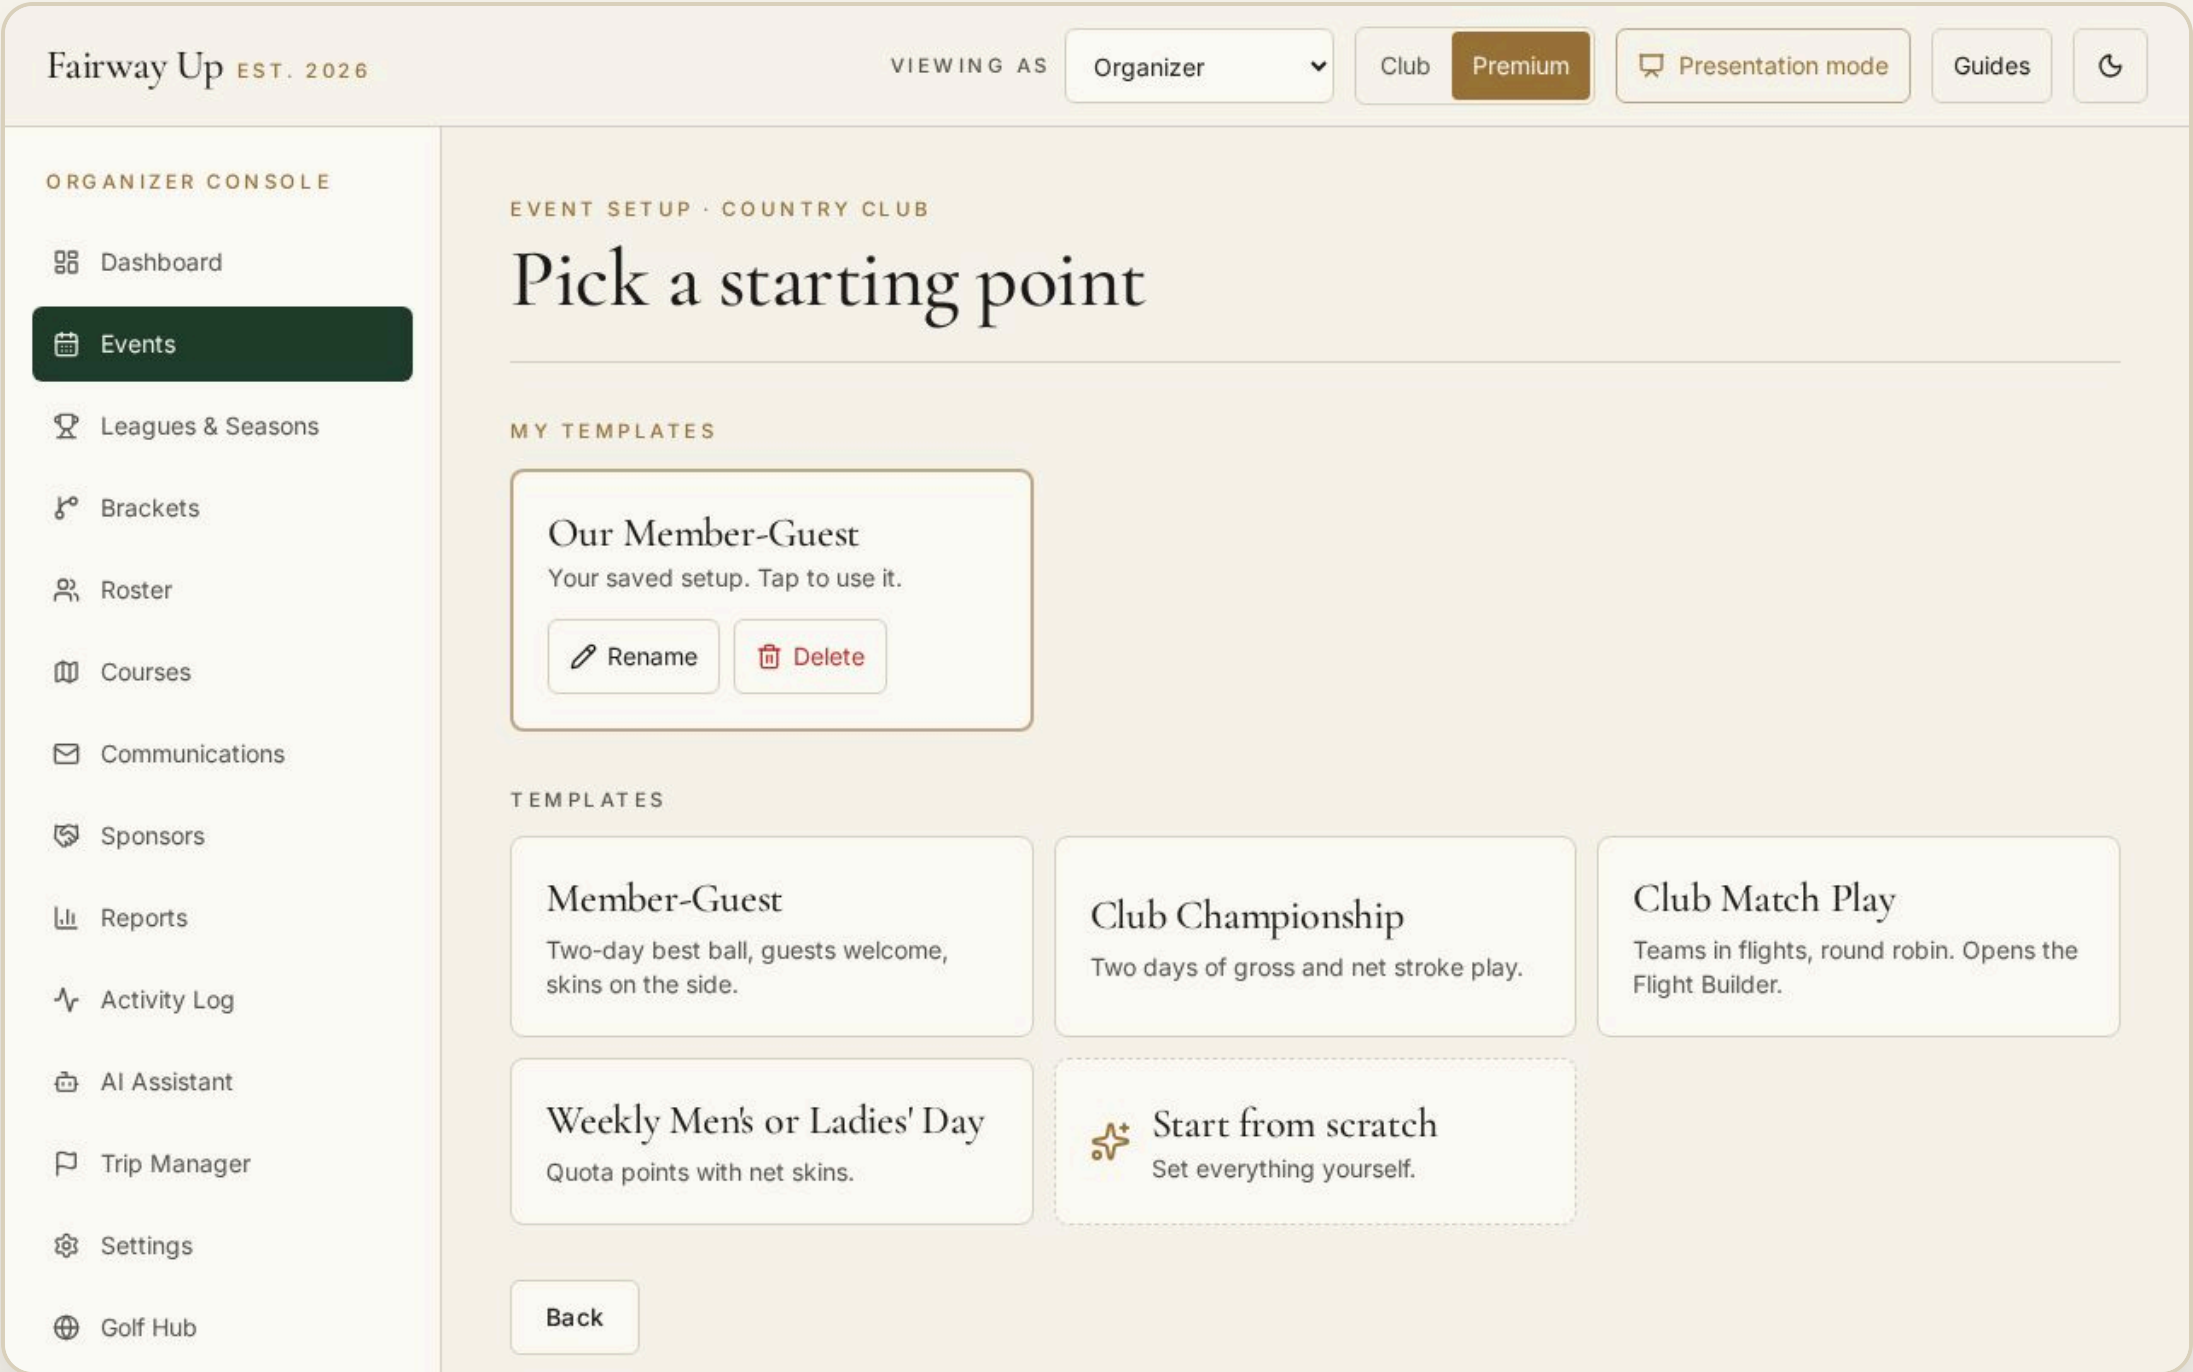

Start with who the event is for

- 1 Pick Country club, Golf society or Casual group
- 2 Each choice shows its own templates, like Member-Guest or Society Scramble
- 3 Only the steps that event needs are shown

Templates, including your own

- 1 Built-in templates fill in format, fees, days and side games
- 2 Save any setup as your own template from the review screen or an event page
- 3 Your templates appear first under My templates, with Rename and Delete

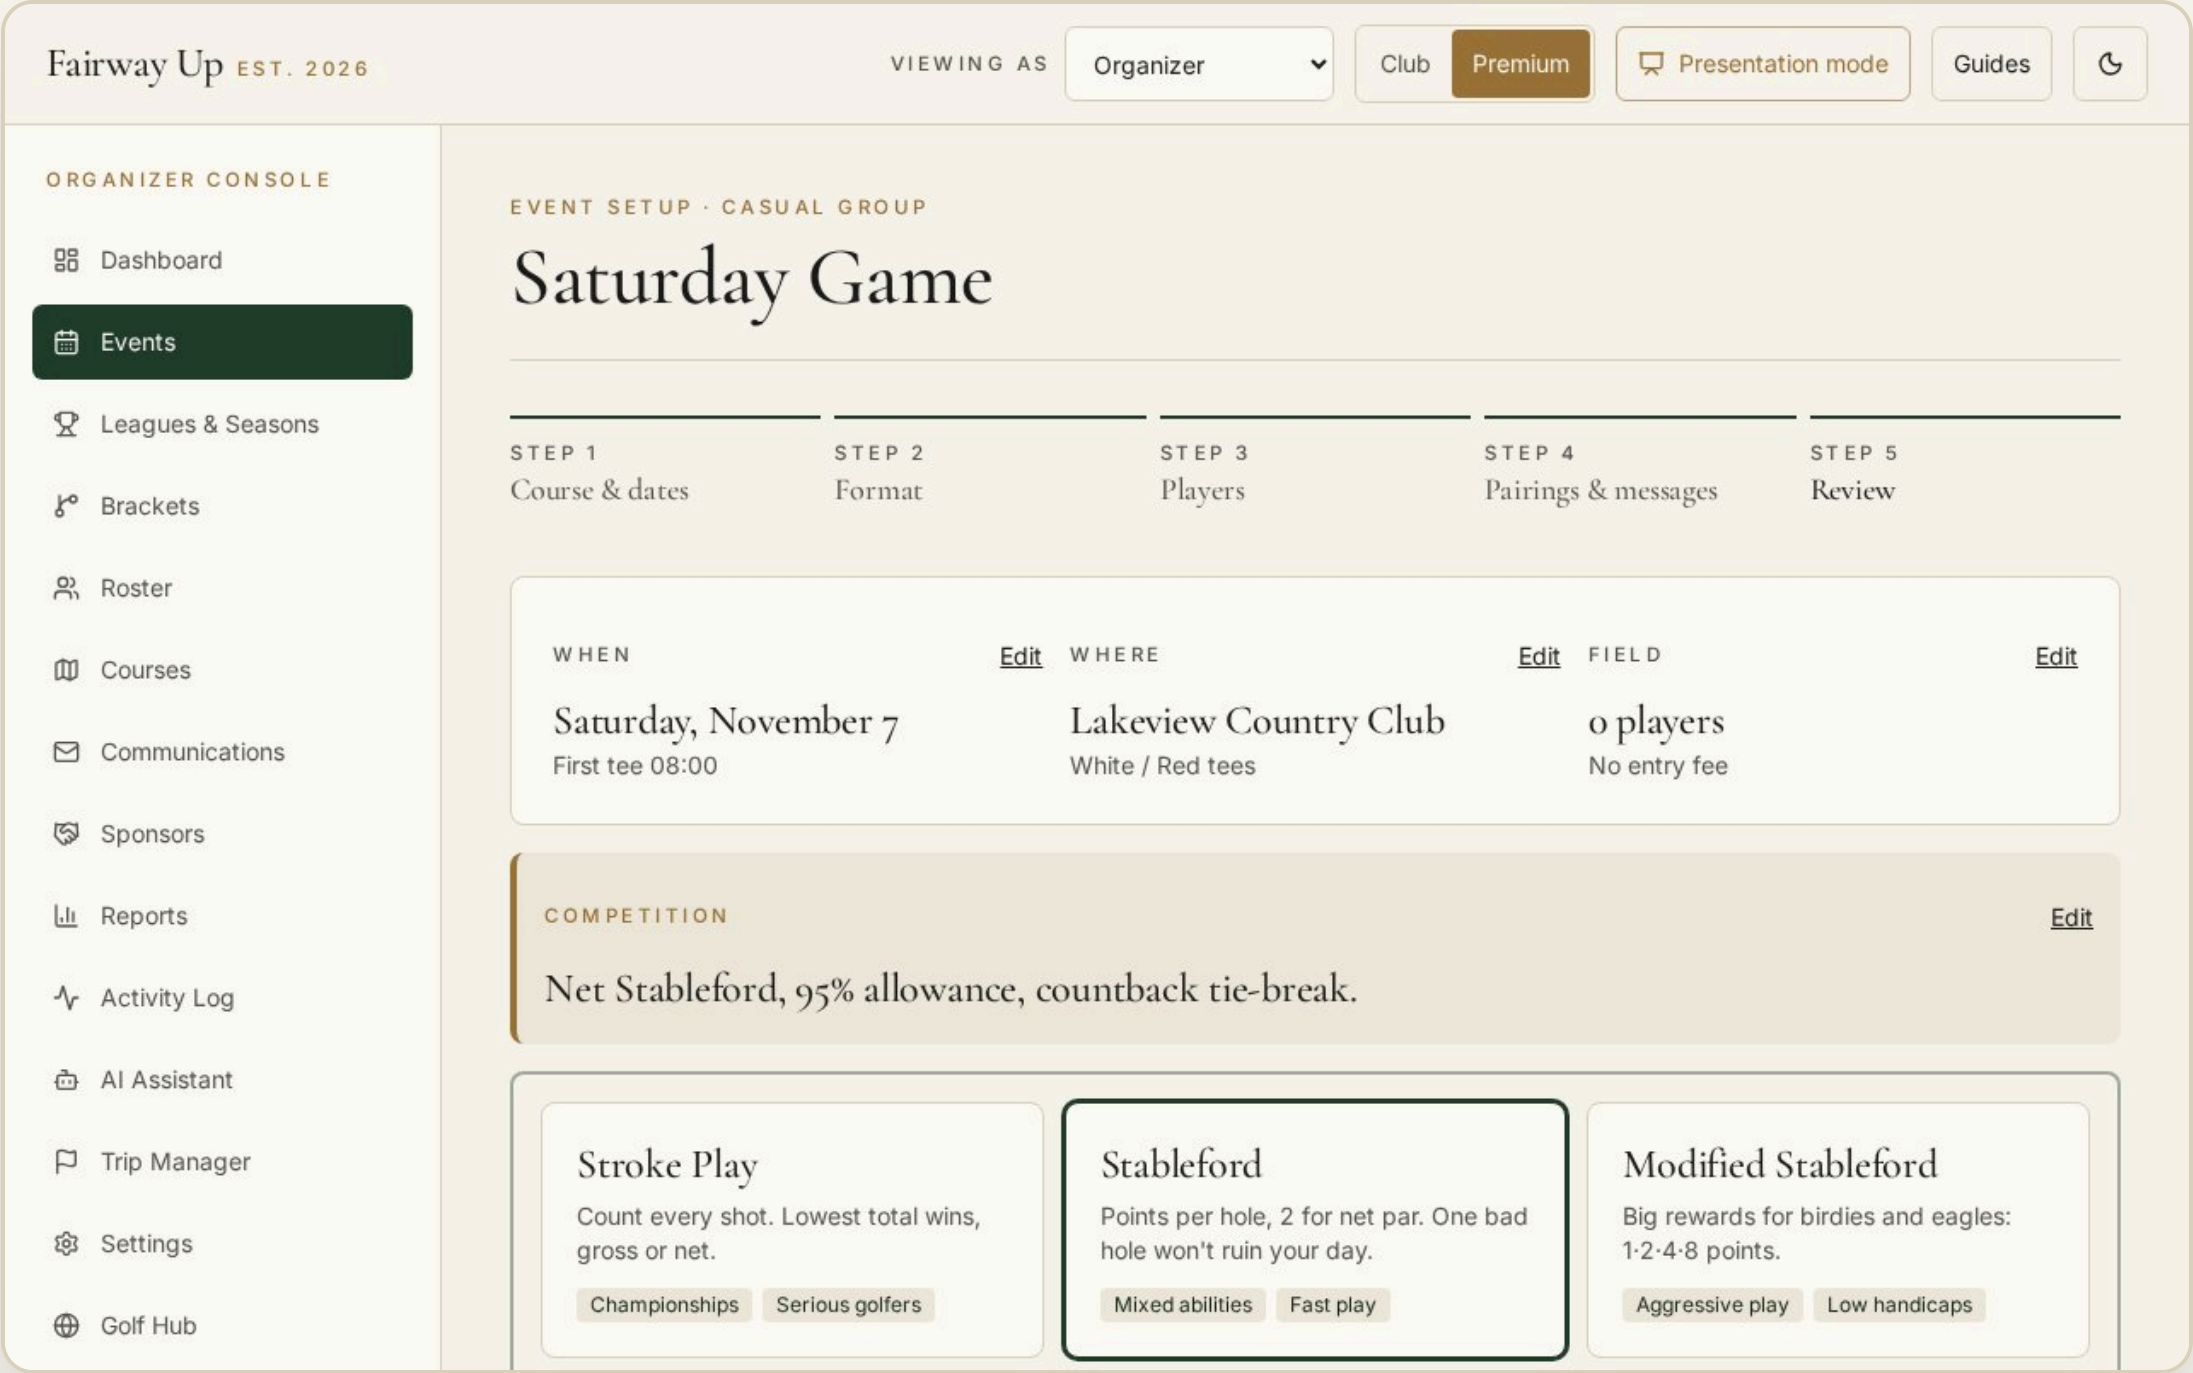

Set the handicap allowance

- 1 Picking a format starts the allowance at the USGA suggestion
- 2 Change it with the slider or quick picks (100% to 80%)
- 3 If you change it, the note shows the USGA figure and a Use suggested button
- 4 A side skins game gets its own allowance

The screenshot shows the 'Fairway Up EST. 2026' event setup interface. At the top, it says 'VIEWING AS Organizer' with a dropdown arrow. To the right are buttons for 'Club', 'Premium', 'Presentation mode', 'Guides', and a refresh icon. The main content area is divided into two columns. The left column is empty. The right column contains the 'Prize Holes' section with a description and an 'Add-on prizes' button. Below that is the 'Handicap allowance' section, which features a slider set to 90% and five quick pick buttons: 100%, 95%, 90% (selected), 85%, and 80%. A note below the buttons states: 'USGA suggests 85% for four-ball stroke play (90% for four-ball match play). You've set 90%. [Use suggested](#)'. Below the note are two checkboxes: 'Add a \$10 net skins game on the side' and 'Closest to the pin on two par 3s', both of which are unchecked. At the bottom of the right column are 'Back' and 'Continue' buttons. A footer note at the very bottom says 'Feature demo for committee review.'

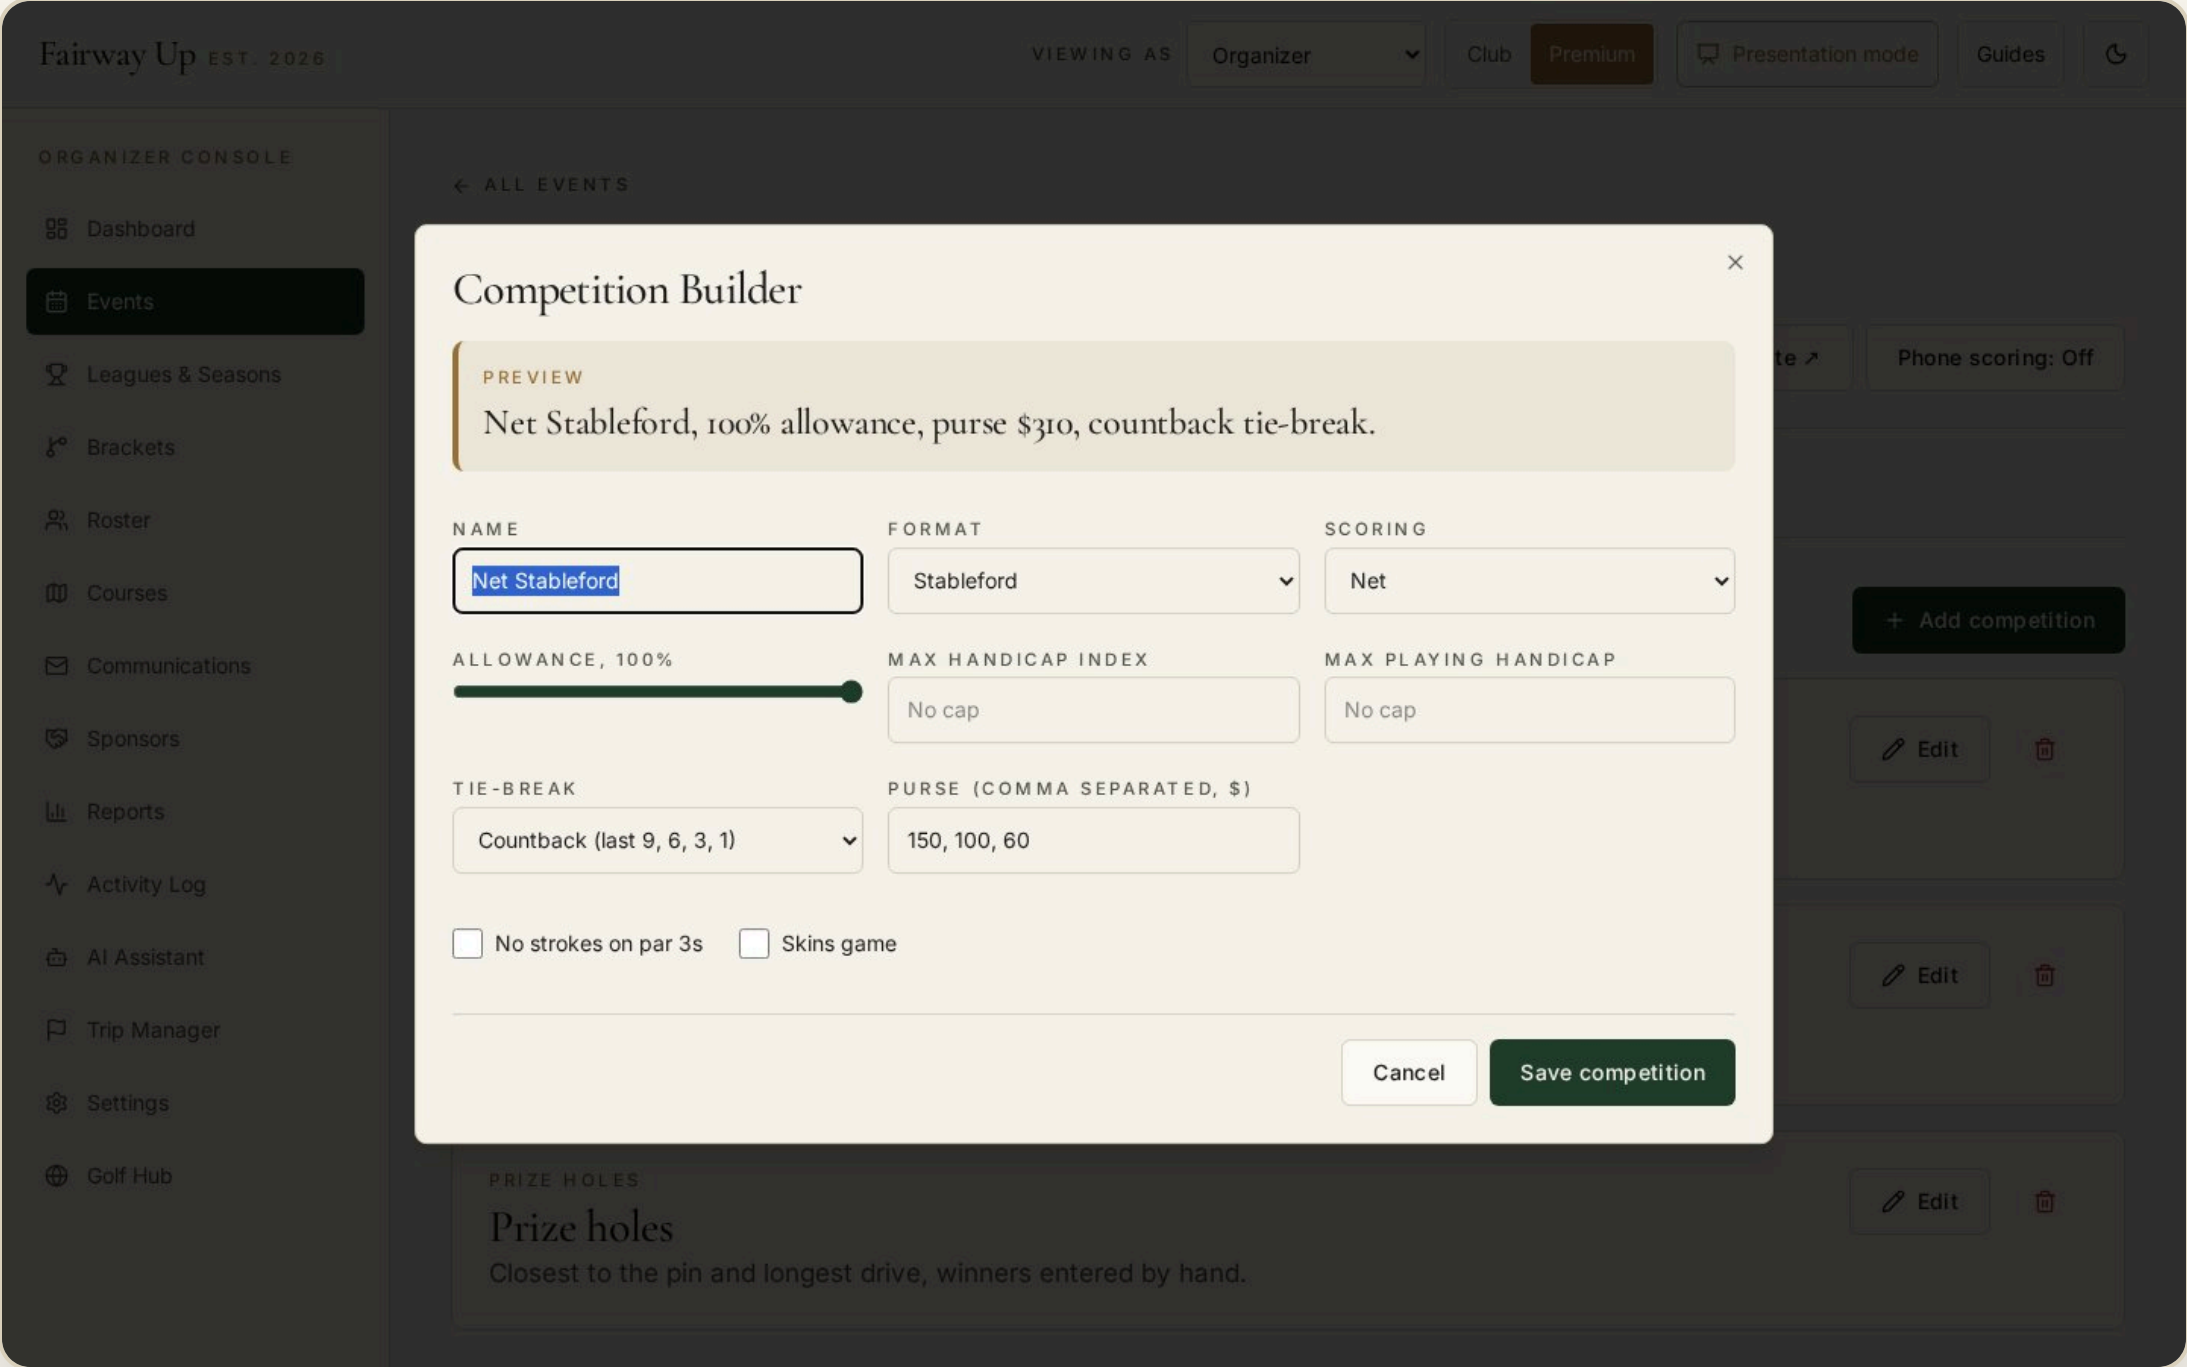

Review, then publish

- 1 Change anything right on this screen: Edit opens it in place
- 2 Plain-English summary of every competition
- 3 Publish makes the groups and sends the invite if you asked

Build any competition in plain English

- 1 Pick a format, gross or net, allowance and handicap caps
- 2 Add skins with your own buy-in and optional net or gross skin validation, a purse and the tie-break rule
- 3 A live sentence explains the competition as you build it

HOLE CONTESTS

Closest to the pin, longest putt and long drive

- 1 Tick Hole contests and add as many as you like
- 2 Pick closest to the pin, longest putt, longest drive or straightest drive for any hole
- 3 Add a note like "in two shots" or "must be holed"

☒ Hole contests: closest to the pin, longest putt, longest or straightest drive

HOLE CONTESTS · PLAYERS ENTER THE MEASURED DISTANCE ON THEIR PHONE

Closest to the pin ▾	Hole 5 · par 4 ▾	Note, e.g. in two shots	×
Closest to the pin ▾	Hole 9 · par 4 ▾	in two shots	×
Closest to the pin ▾	Hole 13 · par 4 ▾	Note, e.g. in two shots	×
+ Add contest			

Measured marks, ranked for you

- 1 Players enter the tape-measure distance on their phone
- 2 Every mark is ranked: shortest wins CTP, longest wins putt and drive
- 3 Remove a bad mark or override the winner; the TV shows the leader and distance

PAIRINGS

Fair groups with fewer repeat partners

- 1 The optimizer tries thousands of groupings
- 2 Groups of 2 to 8, tee times or shotgun start
- 3 Drag and drop to fine-tune, history heatmap shows repeats

Flighted club match play, set up in one screen

- 1 Up to 24 flights of 2 to 8 teams, 9 or 18-hole matches
- 2 Score per hole (win 5, halve 3, lose 1 = 6.5 to 2.5) or per match
- 3 Strokes off the low man of each match, or full strokes for everyone
- 4 Starting nine and tees per flight, an alternate shot or shamble match, reseeded last match and quota bonus

The screenshot displays the 'Fairway Up EST. 2026' interface, specifically the 'FLIGHT BUILDER' section for 'Club match play settings'. The top navigation bar includes 'VIEWING AS' (Organizer), 'Club', 'Premium', 'Presentation mode', 'Guides', and a refresh icon. The left sidebar lists various management tools: Roster, Courses, Communications, Sponsors, Reports, Activity Log, AI Assistant, Trip Manager, Settings, and Golf Hub. The main content area is titled 'FLIGHT BUILDER' and 'Club match play settings', with a subtitle explaining that two-person teams are placed into flights by combined handicap, lowest into Flight 1, and everyone plays everyone in their flight.

The settings are organized into several sections:

- Flights (1 to 24):** 12
- Teams per flight (2 to 8):** 6
- Matches per team:** 5
- Match length:** 9 holes (front and back are sep)
- Matches per day:** 3,2 (e.g. "3,2" = 3 on day 1, 2 on day 2)
- One special-format match:** Alternate shot
- Which match:** 4
- Last match:** Reseed: 1st plays 2nd
- Scoring:** Per hole: 1 point per hole won
- Handicap strokes:** Off the low man of each match
- Flight winner prize (\$):** 300

Below these settings, there is a checkbox for 'Points quota with bonus prize money' which is checked. This section includes:

- Quota (team must finish above):** 20
- Bonus paid as:** Fixed amount per team
- Amount per team (\$):** 50

A summary bar at the bottom of the settings area reads: '12 flights of 6 teams · scored per hole · strokes off the low man · 5 9-hole matches · days: 3,2 · match 4 alternate shot · last match reseeded 1st v 2nd · quota 20 pts, \$50 per team over.' At the bottom of the form are 'Save settings' and 'Cancel' buttons.

Round robin schedule and flight tables

- 1 Everyone plays everyone in their flight, day by day
- 2 Enter holes won by each team; points and margin fill in automatically
- 3 Flight tables, quota badges and prize money update instantly
